Benefits of Diversifying Through Member Companies

LAMMICO member companies have the advantage of affiliation with the parent company, with shared information and resources that may include:

- Financial stability and increased access to capital
- Comprehensive policyholder solutions
- Reduced risk and lower premiums
- Cost savings through shared overhead expense
- Optimized utilization of professional staff time
- Opportunities to diversify and provide additional services (Elatas Risk Partners commercial business coverages and Medical Interactive Community education and risk management resources sales)
- Ability to expand geographically, thus optimizing opportunities for increased revenue

Strength in Common Goals

Though each member entity is distinct in their governance, branding and mission, each share in the common goals of stability, long-term presence and value. Together, all LAMMICO entities enhance the company's competitive strength so that we can better serve physicians, hospitals, facilities, dentists, advanced and allied healthcare professionals, and other commercial business ventures. Through our collective efforts, we serve the healthcare community today and into the future.

LAMMICO

LAMMICO (www.lammico.com) is a policyholder-owned insurance company that provides comprehensive medical professional and general liability coverage at actuarially sound rates and with unparalleled service. LAMMICO is the largest medical malpractice insurance carrier in Louisiana and the only "A" (Excellent) rated medical professional liability insurance carrier in Louisiana insuring hospitals and facilities. LAMMICO is licensed to underwrite medical professional liability insurance in Louisiana, Arkansas, Mississippi and Tennessee. Offering high-quality risk-management education, personalized claim handling and aggressive legal defense is our business so that our policyholders can focus on what matters most: their patients.

Elatas Risk Partners, Inc. (Formerly LAMMICO Insurance Agency, Inc.)

Originally formed by the LAMMICO Board of Directors in 1985 to complement products offered by LAMMICO, we now operate under a new name with a re-energized mission to better serve customers. Elatas Risk Partners (www.elatas.com) is dedicated to helping businesses succeed by tailoring insurance portfolios with products like Property, General Liability, Commercial Umbrella and Inland Marine lines of insurance. Elatas Risk Partners is a wholly-owned subsidiary of LAMMICO.

Medical Interactive Community, LLC

Medical Interactive Community (www.medicalinteractive.com) is an online collection of up-to-date interactive and educational tools for the medical community. Medical Interactive Community (MI) offers CME and CNE, litigation preparation videos, risk management tracking software, practice management tools, remote medical practice resources, and hospital and facility education. Expertly developed by physicians, nurses, risk management professionals and other seasoned professionals, these products and services aim to augment patient safety and experiences throughout the medical process – and, ultimately, prevent claims. MI is a wholly-owned subsidiary of LAMMICO.

LAMMICO Risk Retention Group, Inc.

LAMMICO Risk Retention Group (www.lammico.com/RRG) has provided professional liability and commercial liability insurance, operating as a risk retention group (RRG) since 2012. The RRG is managed by LAMMICO, and also offers excess coverage for hospitals and facilities. All LAMMICO RRG members experience the same service and value-added benefits as LAMMICO insureds. LAMMICO RRG carries an "A" financial strength rating by A.M. Best, and continues to expand, allowing LAMMICO the flexibility to provide coverage nationwide.

Godofsky & Schroeder

Godofsky & Schroeder

The in-house attorneys with Godofsky & Schroeder (www.lammico.com/godofsky-schroeder) focus on medical malpractice defense and are dedicated exclusively to defending Louisiana doctors, nurses, dentists, facilities and other healthcare providers insured by LAMMICO.
