WHEREAS, when the Governor determines that a disaster or emergency has occurred, or the threat thereof is imminent, La. R.S. 29:724(B)(1) empowers him to declare a state of emergency by executive order or proclamation, or both;

WHEREAS, the National Weather Service indicates that Tropical Storm Ida will continue to strengthen and enter the Gulf of Mexico over the next two days. The system could be near or at major hurricane strength when it approaches the northern Gulf Coast during the upcoming weekend;

WHEREAS, the system is currently projected to make landfall in Louisiana on Sunday or Monday, bringing with it life-threatening storm surge, damaging hurricane-force winds, and heavy rainfall;

WHEREAS, the State of Louisiana could potentially experience severe damage that threatens the safety, health, and security of the citizens of the State of Louisiana, along with damage to private property and public facilities;

WHEREAS, many parishes across the State will need to take protective measures to help mitigate flooding and wind damage in response to this imminent threat; and

WHEREAS, the State anticipates that several parishes will declare states of emergency and will need assistance in their response to this developing threat.

NOW THEREFORE, I, JOHN BEL EDWARDS, Governor of the State of Louisiana, by virtue of the authority vested by the Constitution and the laws of the State of Louisiana, do hereby order and direct as follows:

SECTION 1: Pursuant to the Louisiana Homeland Security and Emergency Assistance and Disaster Act, La. R.S. 29:721, *et seq.*, a state of emergency is hereby declared to exist in the State of Louisiana as a result of the imminent threat of emergency conditions that threaten the lives and property of the citizens of the State.

SECTION 2: The Director of the Governor's Office of Homeland Security and Emergency Preparedness (GOHSEP) is hereby authorized to undertake any activity authorized by law that he deems appropriate in response to this declaration.

SECTION 3: Pursuant to La. R.S. 29:732, during a declared state of emergency, the prices charged or value received for goods and services sold within the designated emergency area may not exceed the prices ordinarily charged for comparable

goods and services in the same market area at or immediately before the time of the state of emergency, unless the price by the seller is attributable to fluctuations in applicable commodity markets, fluctuations in applicable regional or national market trends, or to reasonable expenses and charges and attendant business risk incurred in procuring or selling the goods or services during the state of emergency.

SECTION 4: All departments, commissions, boards, agencies and officers of the State, or any political subdivision thereof, are authorized and directed to cooperate in actions the State may take in response to the effects of this severe weather event.

SECTIONS 5: This order is effective upon signature and shall remain in effect from Thursday, August 26, 2021 to Monday, September 27, 2021, unless terminated sooner.

IN WITNESS WHEREOF, I have set my hand officially and caused to be affixed the Great Seal of Louisiana in the City of Baton Rouge, on this 26th day of August, 2021.
