CYBERSECURITY

In partnership with cyber risk experts, Tokio Marine HCC – Cyber & Professional Lines Group, LAMMICO offers policyholders TMHCC CyberNET®, an advanced cyber risk management resource center. Log in as a Member at lammico.com/login to access the TMHCC CyberNET® portal.

TMHCC CyberNET® provides access to continually updated information, resources and on-demand advice. This exclusive, complimentary access to TMHCC CyberNET® can help you and your practice mitigate — or even prevent — damages resulting from a data breach, ransomware or email fraud.

Topics and resources available on TMHCC CyberNET® include:

- Simple steps to prevent a ransomware attack or breach of your network
- HIPAA and business associate agreement information and sample policies
- Creating, testing and implementing incident response plans
- Complying with privacy and data protection laws
- Building a business continuity plan
- Ways to manage vendors that pose risks to your network
- Training courses to help you and your staff understand cyber risks

CME/CNE DISCLOSURE POLICY

LAMMICO/Medical Interactive requires planners, speakers, faculty and all those who influence the content of a CME/CNE activity to disclose any financial relationships they have with ineligible companies that are relevant to the activity. The disclosures shall be reviewed for any conflict

of interest and subject to a mechanism to identify and resolve all conflicts of interest. A disclosure statement of relevant financial relationships will be made to the audience prior to the activity.

LAMMICO RISK MANAGEMENT PROCEDURAL RULES

1. To register for a webinar, log in as a Member at lammico.com/login and select “Online Education & Webinars” from the drop-down menu under your name if you are using a desktop or laptop computer or tablet.
2. Join the webinar using the link that will be emailed to you upon registration. You will also receive a reminder email the day before with the link to join.
3. Once signed into the webinar, your time will be monitored by the webinar system.
4. CME/CNE certificates will be created based upon the time the participant remains in the session. For example, if the program was one hour but the

participant left after the first 40 minutes, a certificate for 0.75 credits will be issued. Likewise, if the program started at noon and the participant signs into the system at 12:30 pm and stays until the end at 1 pm, a certificate for 0.5 credits will be issued.

5. Credit will be provided for attendance at the live webinar session only. Viewing later will not earn credit.
6. Participants who complete the same educational activity more than once will not receive additional credit for the subsequent time(s). This applies to activities of the same title whether live, internet, webinar/webinar recordings or any combination.

If you have any questions, please call LAMMICO’s Risk Management and Patient Safety Department during regular business hours at **504.841.5211** or **800.452.2120**.

CONSULTATIONS

All consultations are confidential and provided by Pamela J. Parsons, M.D., *Risk Management Consultant*

PHYSICIAN LITIGATION STRESS PEER CONSULTATION

Malpractice litigation can impact all aspects of a healthcare provider’s life. LAMMICO offers insureds a unique opportunity to address the situation head-on, before the strain negatively influences other aspects of your profession.

LAMMICO is committed to providing a positive and proactive culture of support for our policyholders by offering realistic strategies to cope with the anger, fear and frustration of the litigation process. Together, we can help strengthen physician/healthcare provider wellness in the face of malpractice claims.

Through its subsidiary, Medical Interactive Community, LAMMICO provides videos, resources and tools to prepare healthcare providers to assist in their own defense, testify in depositions, and manage the personal and professional stress of litigation.

PROVIDER WELL-BEING CONSULTATION

Stress in the healthcare setting is high. Studies across healthcare professionals show increasing stress levels, and as many as 30 to 60% of providers meet criteria for burnout. Burnout contributes to a poor quality of life for healthcare professionals who are experiencing it. In addition, stress and burnout can affect quality of care and safety of patients. This peer consultation offers strategies to reduce burnout and promote provider well-being.

REQUEST CONSULTATION(S)

To request a Physician Litigation Stress Peer or Provider Well-being consultation for an individual or a group, please call LAMMICO’s Risk Management and Patient Safety Department during regular business hours at **504.841.5211** or **800.452.2120**.

10% RISK MANAGEMENT PREMIUM DISCOUNT OPPORTUNITY

LAMMICO insureds can earn a discount toward their premium by successfully completing designated risk management activities. The Risk Management Premium Discount credit is a 10%, per-provider discount to the basic limits portion of the LAMMICO premium applied in the insured's policy renewal year.

The credit is awarded for successful completion of two Risk Management Credits, either online or webinars. Please complete the activities at least 60 days prior to the first day of your renewal month to allow time for processing. Only risk management activities presented by LAMMICO, and those approved and designated by LAMMICO prior to attending, will be accepted for Risk Management Premium Discount purposes. To learn more, visit lammico.com/discount.

TO ACCESS ONLINE EDUCATION AS A MEMBER ON LAMMICO.COM

1. If already registered as a Member, log in at lammico.com/login
2. To register as a Member, complete the form at lammico.com/insured-registration
3. Select "Online Education & Webinars" from the drop-down menu under your name

For assistance, please contact our website coordinator at **504.841.5242**.

ONLINE CONTINUING MEDICAL EDUCATION (CME & CNE)

MAINTENANCE OF CERTIFICATION (MOC)

Many of our physicians fulfill their MOC requirements by completing education provided by LAMMICO. Nearly all of our applicable courses have been approved by at least one of the various participating medical specialty boards. Each online course lists the specialty boards that have approved the course in the description section on our website.

SPECIALTIES (PARTIAL LIST)

- Adult Primary Care (Internal Medicine and Family Practice)
- Emergency Medicine
- General Surgery
- Hospitalists
- Neurosurgery
- Orthopedics
- Pediatrics
- Perinatal

For a complete list of specialty boards, visit lammico.com/MOC.
